## ADULT BEHAVIOUR STATEMENT

The Governing Body of Cheetwood Community Primary School expects and appreciates appropriate behaviour from any person who is on the school premises, this includes pupils, staff, parents/carers and visitors.

The school's Behaviour Policy states  
*"Pupils learn through observation and so the way the adults around them behave has a huge influence on pupils' own behaviour. It is an expectation therefore that all adults on school premises, whether a member of staff or a parent/carer, should conduct themselves appropriately and adult-like at all times."*

It is an offence under section 547 of the Education Act 1997 for any person to cause a nuisance or disturbance on school premises. Any person who comes onto the school premises does so with the Headteacher's permission. This permission can be withdrawn at any time should a person's unacceptable behaviour warrant it.

If parents/carers have a school issue, under no circumstances should they take matters into their own hands. Report the issue at the office and it will be dealt with by the Headteacher or other relevant member of staff.

The Governing Body will have no hesitation in taking action, with the involvement of Manchester City Council Legal Services, against any adult, including a parent/carer, who behaves in an unreasonable or inappropriate manner whilst on the school premises.
